

Lunch and Learn

The purpose of this Lunch and Learn is for the Utah OSHA (UOSH) Consultation group to exhibit the new OSHA introduction that will be used in all future 10-hour OSHA classes, both Construction and General Industry. This revised introduction was mandated by Federal OSHA as of Spring, 2010. If you have previously taken a 10-hour class, this is a good refresher. The following topics will be covered, with time for questions and discussion:

1. Why is OSHA important to you?
2. What rights do you have under OSHA?
3. What responsibilities does an employer have under OSHA?
4. What do the OSHA standards say?
5. How are OSHA inspections conducted?
6. Where can you go for help?

Presenter will be Evelyn Partner, UOSH Public Sector Consultant. Evelyn spent 7.5 years as a UOSH Compliance Officer working with both Construction and General Industry employers, and has worked for the last 2.5 years as a consultant for the Public Employers of Utah.
